

Bishop Lucia Announces June 7, 2026, as Sock Out Cancer® Day in New York State

Sock Out Cancer is a nonprofit initiative whose mission is to assist financially distressed cancer patients and their families to pay for non-medical necessities such as food, transportation, and housing so patients can focus their energy on fighting cancer. Since 2017, Sock Out Cancer has distributed \$2.08 million to participating hospital foundations and other charitable organizations. Many Catholic schools within our diocese have participated directly in this program.

Sock Out Cancer is proud to announce that the manufacturing of socks has transitioned to Upstate New York through Finger Lakes Textiles, whose Waterloo, NY workforce includes individuals with disabilities and other barriers. This is an exciting addition to the Sock Out Cancer program!
