

Summer Servant's Application 2018

Summer Servants is a social justice program for teens which provides a solid Catholic approach that balances Scripture, social teaching, and direct service. The work is age-appropriate and challenging; teens may work at soup kitchens, in community gardens, day camps, or senior centers. Additionally, those who are 16 and older may work with Habitat for Humanity and be involved with demolishing, repairing, painting or building homes. Anyone who would like to attend is asked to fill out this simple application which needs to be submitted as soon as possible.

Please include with this application the fee for attending; \$50.00, made out to St. Elizabeth Ann Seton Church. If you have any questions regarding the Summer Servants program or have financial concerns email St. Elizabeth Ann Seton Church at mainoffice@stelizabethbville.org.

Sunday July 22nd until Thursday (around 9:00pm) July 26th
