Evening of Prayer & Praise

**Pentecost Sunday,
May 19
4:00pm
@ St. EAS**

How does Mary lead us to Jesus?

The Blessed Mother brought Jesus to the world over two thousand years ago. She still brings Him to us and she can bring us to her Son - and to the Father and to the Holy Spirit, for that matter. Mary strengthens communion.

Jeremy Bobak will lead us in song and **Jen Brown** will teach and share with us ways in which we can grow in relationship with Mary. As we gather on Pentecost Sunday, recall that she was in the Upper Room with the Apostles and helped them to receive this mighty gift from God. The gift of the Spirit is always available to be poured out on us. We will have the chance to praise the Lord through song and silent Adoration, and we will close with Benediction of the Blessed Sacrament. This special evening will strengthen your relationship with the Trinity and the Blessed Mother.
